Promote Cross-Cultural Connections in Encinitas Open your home to a student from Hong Kong for 18 days this Summer!

- EF Educational Homestay Programs is bringing ~34 students from Hong Kong to Encinitas this summer to study English and experience Southern California - from **July 22nd to August 10th**
- This is a unique and rewarding opportunity for you, your family, and the city of Encinitas to participate in international exchange, promote language learning, and cultivate lifelong friendships around the world
- EHP students attend language and culture classes weekday mornings at a teaching center on Manchester Ave and participate in fun and educational activities during weekday afternoons and some weekends

You can get to pick the student you want to host. All students come fully insured and with their own spending money.

If you are able to provide a room, meals and most importantly – a stable caring environment, you have what it takes to share your life with an eager student from Hong Kong and help make his/her dream come true!
