

I KNOW I need to market...

*I just don't
have **TIME!***

Oh Yes, You Do!
Find out how at the....

“Making Time to Market” Workshop

Date: TBA

9am - 2pm

Location: TBD

Using this simple and effective
proprietary time budgeting system...

- Find out how to budget and block your time to include marketing
- See and set realistic boundaries for business AND personal time
- Discover how to manage the “many hats you wear”
- Learn how to accommodate the unexpected
- Gain control over your time as you visualize your week

Wow! This system really opened my eyes to the fact that I DO have time to market AND do my work AND spend quality time with my son! By being able to define my schedule and block it out on a weekly basis, I'm not “scrambling” anymore! Thank you, thank you!

-B.A., Gold Buyer

BONUS!

Complete your next week's time blocking during the workshop!

Just \$99

Includes box lunch, all electronic templates, your next week's time blocking, materials workbook and instruction manual and light refreshments.

Watch for Registration Details!
